

Multi Action

Triple Action Shape Therapy

Triple action body treatment that combats topical fat, cellulite, and loss of elasticity.

Professional cosmetic body treatment resulting in a triple action against cellulite and topical fat while improving skin elasticity. This treatment is based on the combination of hot-cold alternation with the potent lipolytic action of Hyaluronidase and caffeine and the "non-stop action" of A2 Blockers technology that prolongs the lipolysis process.

Main action

Lipolysis, anticellulite, firming.

Secondary action

Toning.

Body concerns

Topical fat, cellulite, low skin elasticity, fluid retention.

Contraindications

In circulatory problems, phlebitis, spider veins and varicose veins, the application of Thermoslim Gel and the use of a thermal blanket are contraindicated.

Key ingredients

Methyl Nicotinate, Capsico-Tabasco Pepper, Iododrat, Menthol, Hyaluronidase, Caffeine, Escin, Dead Sea Mud, Fucus Extract, Seaweed Gel, Chamomile Oil, Cikaderm.

Suggested applications: Minimum 10 sessions, based on the skin condition.

Session duration: 55 minutes

Repeatability: 2-3 times a week

Maintenance: 2 times a month

Multi Action Triple Action Shape Therapy

Step 1: Detoxifying Peeling

At this stage we combine the action of removing dead skin cells with a strong keratolytic and detoxifying action.

Detoxifying Peeling Gel (12ml)

Apply 12ml Detoxifying Peeling Gel on the area to be treated and gentle massage until it is absorbed. Do not rinse.

(Duration: 5 minutes)

Step 2: Thermoslim

This stage aims to increase the metabolic action of lipolysis by the intense hyperaemia caused in the skin (Capsico-Tabasco Pepper and Methyl Nicotinate) in synergy with the action of lipolytic active ingredients.

Thermoslim Gel (12ml)

Apply 12ml Thermoslim Gel on dry, clean skin and massage until it is adsorbed.

(Duration: 7 minutes)

Step 3: Celluslim Mud

At this stage, the lipolysis process is enhanced based on the action of seaweed extract, the uniformity and elasticity of the skin is improved in combination with the detoxifying and hydrating action of mud from the Dead Sea.

Celluslim Mud Mask (50ml)

Apply 50ml Celluslim Mud Mask on the skin and wrap the body with cellophane. Optionally we can use a thermal blanket at a low temperature.

Leave on for 20 minutes and rinse with water.

(Duration: 20 minutes)

Step 4: Anticellulite System

This stage aims to improve the "orange peel" appearance of the skin and enhance its uniformity and elasticity with strong enzymatic lipolytic action.

Anticellulite System (1 vial)

Remove the white protective cap. Press the piston down to mix the powder contained in the lid with the solution of the vial and shake well until it is completely dissolved. Use all the amount contained in the Anticellulite System vial, apply it on dry, clean skin and massage gently until absorbed.

(Duration: 8 minutes)

Multi Action Triple Action Shape Therapy

Step 5: Cryolift

At this stage we enhance the triple action against cellulite, topical fat and loose skin with cryotherapy causing intense tightening.

Cryolift Gel (10ml)

Apply 10ml Cryolift Gel along the legs starting with gentle lymphatic massage movements from the ankles to the thigh muscles until it is absorbed.

(Duration: 5 minutes)

Step 6: Triple Action Shape

At this stage we aim at the triple action of fighting cellulite, topical fat and loss of elasticity.

Triple Action Shape Gel (10ml)

Apply 10ml Triple Action Shape Gel on the skin and massage until it is absorbed.

(Duration: 10 minutes)

Step 7: Home Daily Regimen

- Cryolift Gel
- Triple Action Shape Gel

Strongly recommend tactical use of home regimen products after and in between treatments, until all the quantity contained is used.

Multi Action Triple Action Shape Therapy

	Step	Product	Quantity/ application	Duration
1	Detoxifying Peeling	Detoxifying Peeling Gel	12ml	5 minutes
2	Thermoslim	Thermoslim Gel	12ml	7 minutes
